Important information for nursery and primary school children:

- We suggest that you write the shoe sizes on the children's hands (BEFORE you arrive), so that they know their shoe size and our staff can read it from their hands.
- **Children often have the same shoes or brands. To avoid mix-ups, please ask parents to mark the shoes with their child's name or add another distinguishing feature to the shoes.**
- Ask for the exact shoe size; do not add a size. We have skates from size 24 upwards. For sizes 22 and 23, we use bob skates, i.e. double blades that we attach to the child's shoes.
- Ensure there are enough supervisors to help fasten the skates (see further information below on 'how to fasten the skates').
- It is possible to hire skate racks free of charge on request for nursery school and the first two years of primary school.
- It is possible to organize a picnic in the cafeteria, **booking required** (cafeteria@skate-poseidon.be) and with a minimum purchase of one drink per child.
- Picnics are permitted outside around the rink; please use the numerous bins.
- Do not leave your belongings lying around in the skate hire room; you can gather everything outside (e.g. on the benches, but please keep the passageway clear).

House rules for schools during private hire:

- Pupils are requested to enter the ice rink together. Pupils arriving late will be refused entry.
- The ice rink remains closed to the general public; the entrance doors remain closed.
- The school may only enter from the start of the private booking. This means at 9.30 am, 11.50 am or 2.10 pm, and the school must leave the ice rink by 11.30 am, 1.50 pm or 4.00 pm at the latest. The school has only 2 hours to put on skates, have fun on the ice rink and return the skates. So please be organized and ensure that all children know their size and the rules before they arrive.
- We have lockers available for a fee (€0.50 per locker, non-refundable), but as the school has hired the entire ice rink, there will be no other customers, so you are not obliged to hire a locker.

- Shoes are handed in to us in exchange for a pair of skates. Young people often have the same shoes/brands as their friends. To avoid mix-ups when returning shoes, it is practical for them to mark their shoes with their name or something else (e.g. on the sole or underside of the shoe). It happens all too often that pupils go home with another pupil's shoes. We have no way of knowing who has which shoes.
- **Ensure that your pupils skate in the correct direction on the ice rink, i.e. ANTI-CLOCKWISE! This is IMPORTANT for safety to prevent accidents!**
- The visit to the ice rink is the sole responsibility of the teacher(s)/supervisor(s).
- Anyone who fails to follow the instructions, makes comments or behaves in a manner that could damage the establishment's reputation will be asked to leave the premises without any right to a refund or compensation.
- The ice rink is cleaned between each private booking, so that all schools can enjoy a pristine ice surface.
- Some play modules will be available free of charge (**ONLY FOR CHILDREN AND PRIMARY SCHOOLS**) and ASSISTANCE SESSIONS (upon prior request) for nursery schools and the first two years of primary school. For safety reasons, we cannot provide play modules for secondary schools.
- **When you RETURN the skates, we ask you to fasten the clips or put the laces back in the skates and place them on the designated counter before you get your shoes back. We will only return all shoes once we have received all the skates, to prevent skates from being left lying around.**
- The ice rink and its management are not responsible for any accidents or thefts

House rules for schools during our public sessions:

- Pupils are requested to arrive at the ice rink together. Pupils who arrive late will pay the standard price instead of the school rate.
- **Shoes must be handed in to us in exchange for a pair of skates. Young people often have the same shoes or brands as their friends. To avoid mix-ups when returning shoes, it is practical for them to mark their shoes with their name or something else (e.g. on the sole or underside of the shoe). It happens all too often that pupils go home with another pupil's shoes. We have no way of knowing who has which shoes.**
- **Shoes will only be returned once all pairs of skates have been collected. Pupils enter and leave together. Pupils who need to leave early are asked to inform our staff via the person(s) in charge upon arrival (so that their shoes can be stored elsewhere). All shoes from the school group will be placed together in a box to prevent a pair of shoes from ending up with another school group.**

- When hiring skates, the person in charge will be asked to show proof of identity.
- **Please ensure your pupils skate in the correct direction on the ice rink, i.e. ANTI-CLOCKWISE! This is IMPORTANT for safety to prevent accidents!**
- To avoid any issues, we ask teachers to be present when the skates are returned and when the shoes are collected.
- Lockers are available for a fee (€0.50 per locker, non-refundable), or at your own risk you may leave all bags near the ice rink. **This is not permitted in the canteen or in the skate hire area.**
- Visits to the ice rink are the sole responsibility of the teacher(s)/supervisor(s).
- **Skate hire is limited to two hours for schools.**
- Anyone who fails to follow instructions, makes comments or behaves in a manner that could damage the facility's reputation will be asked to leave the premises without any right to a refund or compensation.

AFTER SKATING, please fasten the clips and place them on the designated counter. Shoes will only be RETURNED ONCE all skates have been handed in correctly and ALL pupils are present WITH their supervising teachers.

Please share this information with your colleagues and pupils to ensure your visit runs smoothly, thereby reducing stress for the teachers, pupils and our staff.

Thank you for your understanding and trust!
